Eligibility

This trial is open to all dogs measuring 20 inches or less at the withers, over the age of 12 months. The trial is not open to aggressive dogs, dogs suffering from any deformity, injury, or illness which may affect a dog's physical or mental performance, or bitches in season. In the latter case and with a note from a veterinarian, a refund of all but \$5 of entry fees will be provided.

Your dog must be registered with TDAA to participate in TDAA Trials. Here is a link to the TDAA Dog Registration form: [TDAA Dog Registration Form](#). Please provide proof of submission to the trial secretary if you haven't received your number

TDAA Rules can be obtained online in the form of a PDF file at the [TDAA web site](#), and should be reviewed before competing at a TDAA trial.

Height Divisions: Per TDAA rules, dogs may be entered at any jump height desired (except at the Petit Prix: please see that premium for details); however, the scoring height continues to be the dog's measured jump height. Dogs jumping at a height other than their measured height will earn qualifying legs and all TDAA titles. The judge reserves the right to measure dogs entered in any trial. Any dog that has not previously competed at a TDAA trial must be measured before competing.

Veteran Dogs: A veteran dog is a dog of at least 7 years of age. Veteran dogs receive additional course time in standard runs and games that are timed. 4" (Measured Jump Height) veterans receive an additional 4 seconds, while 8", 12", and 16" veterans receive an additional 2 seconds.

Double Digit Veteran Dogs: A double-digit veteran dog is a dog of at least 10 years of age. Double-digit veteran dogs receive 2 seconds in addition to what a veteran dog receives for standard course time and for games that are timed.

Disabled Handler Exemption: Handlers who have been given disability status by their home state will be allowed an additional 4 seconds in standard course time for Standard courses and an additional 4 seconds in qualifying course time for Games classes. This is in addition to any additional time awarded through the Veteran Dog exemption. A copy of the handler's disabled parking permit must be sent with the entry or presented 30 minutes prior to the start of the trial. If a handler has a permanent disability that does not necessitate the issuance of such a tag, a request for an exemption can be placed with the TDAA.

Standard Class

Beginner Agility—All dogs shall be eligible for participation in this class.

Intermediate Agility — Only dogs who have earned the Teacup Beginner Agile Dog (TBAD) title shall be eligible for participation in this class.

Superior Agility — Only dogs who have earned the Teacup Intermediate Agile Dog (TIAD) title shall be eligible for participation in this class.

Games Class

Games I—All dogs shall be eligible for participation in this class.

Games II — Only dogs who have earned the Games I (TG1) title shall be eligible for participation in this class.

Games III — Only dogs who have earned the Games II (TG2) title shall be eligible for participation in this class.

Trial Games

Super Dog	SuperDog is a strategic dog's-choice accumulation game. In concept it is based on the old PACMAN computer game that if the smiley at a "power pill", it could move faster and gobble up things in its path. SuperDog is scored Points, Then Time. ER2
Copy Cat	Copycat is a dog's-choice game. The handler is to avoid taking two obstacles, one after the other, of the same point value for which the dog earns a "copycatting" fault. Copycat is scored Points, Less Faults, Then Time. ER6
Relay	The Relay is one of the classic dog agility games. Teams of two or more dogs and handlers will run separate numbered sequences, usually with jumps set to the respective heights of the dogs on the team. So, the combined score of all the team members will determine who wins. The Relay I scored Time, Plus Faults. ER5
Gamblers	Gamblers is a two-part game: dog's choice point accumulation followed by a distance challenge. The object of Gamblers is for the dog-and-handler team to accumulate as many points as possible in the allotted time and to successfully complete the distance challenge. Gamblers is scored Points, Then time. ER2
Quidditch	Quidditch is a simple game of handling skills. The handler must direct the dog to perform three sequences of escalating value and attempting the simple performance of a tire after each. The game is full of interesting bonuses and colorful phraseology. Quidditch is scored Points, The Time. ER2

Judges reserve the right to adapt any game played. Day of show rules supersede all others.

The judge's briefing, given prior to the start of judging, supersedes these descriptions and the written briefings of how to play any game. **More information about games** is available in the [Book of Agility Games](https://k9tdaa.com), 5th Edition, available at <https://k9tdaa.com>.

Warm-Ups: A warm-up area consisting of at least an agility jump will be provided for all exhibitors.

Obstacle Familiarization: Obstacle familiarization on TDAA equipment will be offered 30 minutes before the first class each day. One dog in the ring at a time.

Move-Ups: If your dog has moved up since you sent in your application, please notify the trial secretary at least 48 hours prior to the trial. Include the following information:

• Dog's Name	• From
• Handler's Name	• To
• For	

Move-ups will also be accepted if a dog completes a title during the running of this trial. In such case, the move-up request must be made immediately upon posting of scores for the class in which the title was earned. Move-ups will be accepted each day from event to event.

The following is a list of obstacles that may be used:

Pipe Tunnels (24" opening)	Teeter 12' planks, 12" wide without slats
Weaves (22" centers)	Dog Walk 8' planks, 12" wide with slats
Tire (16" opening)	Table 34.5" sides
Jumps (2'6" wide) with or without wings	A-Frame 7' x 35" with slats

FEO (For Exhibition Only)

FEO (For Exhibition Only): TDAA offers FEO runs. They are open to any TDAA registered dog in any class. These are offered at the option of the local/host club. FEO dogs will run last in their jump heights. They may run on lead. FEO runs do not count toward TDAA titles. FEO teams will have a maximum time of 1.5 times the SCT. FEO dogs cannot repeat any obstacles, no training in the ring.

TDAA Agility Games 2026

In 2026, the TDAA is showcasing a different game each month for groups or clubs to play. Some are new and some might be new versions of old favorites!

To enter the drawing the handler needs to turn in a video of the Teacup Game of the Month run to TDAA. Upon receipt of trial scores and the videos by TDAA, dog/competitor team will receive a point. Submit videos and send any questions to teacupagility@gmail.com. Each point is worth a raffle ticket that TDAA will place in a drawing. At the end of the year, TDAA will draw four competitor/team winners. These four teams will have one regular trial entry fee to a TDAA trial (of their choosing) paid for by TDAA in 2027. Contact TDAA at teacupagility@gmail.com if you have any questions.
